About three months ago, you participated in an Asthma Presentation, sponsored by the American Lung Association of Minnesota. Enclosed is the second of two follow-up surveys. The purpose of the survey is to learn how you have used the information shared at the presentation.

Please complete both sides of the survey and return in the enclosed postage-paid envelope within two weeks of receiving this mailing. The \$1 we have included is a small token of appreciation for your time.

If you have questions about the survey, please contact Becky Sechrist at the Minnesota Institute of Public Health (763-427-5310). If you have general questions about asthma, please contact Rachel Vierra (651-223-9567) at the American Lung Association.

Thank you,

A handwritten signature in black ink, appearing to read "Jill Heins Nesvold". The signature is fluid and cursive.
