

## 2004 PACE Training Follow-up Survey (At 4 weeks & 4 months)

*Several weeks/months ago, you attended a PACE training offered by the Controlling Asthma in American Cities Project and the American Lung Association of Minnesota. In an effort to demonstrate how to involve asthma care providers in a best practice model for professional education, we are asking participants in PACE seminars to complete the following survey.*

*We are asking that you provide your name because your survey responses will be tracked over time. You will be asked to complete the survey again at 4 months post-training. All survey responses will be reported only in aggregate.*
