Thank you very much for hosting a Controlling Asthma in American Cities' Community Forum.

For our evaluation purposes, we are interested in feedback from the person who assisted the American Lung Association with the coordination of the Forum. Please take a few minutes to complete the attached form and return in the enclosed postage-paid envelope within two weeks of receiving this mailing.

If you have questions about the survey, please contact Becky Sechrist at the Minnesota Institute of Public Health (763-427-5310). If you have general questions about asthma, please contact Rachel Vierra (651-223-9567) at the American Lung Association.

Thank you,

Rachel Vierra
